Dear Folks. May 23-60

Well we are on the Road again - Spent 6 days in Oklahoma City with Nephew - They have a new baby Girl born on Thurs so I did a little baby sitting with their 2 boys. So was kinda glad to move on altho we really had a good time & got around. To see the City also experienced their Storms They sure do a lot of damage! Oklahoma has more than its share of Red Clay & such erosion you can't imagine! I'd plant it to trees & give it back to the Indians!

Do & Lois - We stayed 2 blocks from this scene. R+Lele-1164
